ABOUT US

Youth Under Construction, Inc. is a private, faith based nonprofit organization formed to promote the development of leadership and positive attitudes in youth ages 6-16 during out-of-school time, empowering them to become productive citizens.

The mission is to instill positive character traits in the youths while building constructive minds. It is the foundation of character, self-esteem and leadership that determines the direction a child takes. Their direction begins with a strong parent/child relationship and it builds as schools and community organizations take an active role in children's character development. Students will gain a new perspective on life while building character and leadership skills in a nurturing and safe environment.

CAMP CHARACTER

Camp Character started in June of 2003 and has continually provided quality summer camps that are FUN, yet affordable.

We have the kids and parents in mind at Camp Character. Our standards are high but obtainable. Character Education is a HUGE component of our program. We believe that a person's character determines their direction in life. We strive to be a part of the village it takes to "BUILD A CHILD".

Come share the summer with us as we explore the magic of summer.
